

Christine Sorrento joined Diastole in 2024 as their new Office Manager. She is enthusiastic to be supporting the professional staff of advisors and keeping the office running as smoothly as possible. You will experience her positive attitude and client support whenever you call in to the office for any help you may need. Christine graduated with a Bachelor of Science in Business Administration and has spent a successful career in sales and marketing. After moving to Connecticut from New Jersey to be close to her granddaughters, she immensely enjoys her new chapter of life in Branford with unlimited hobbies and new friends.
